

## The Power of Partners

OACEUS 360 Preventative Health Plan

### The Affiliate Update

Each month, we celebrate the success of one of our top-performing affiliates. This month's highlighted deal comes from the professional services sector, and demonstrates the ongoing potential for earning significant revenue through strategic partnerships.

#### 1. What They Bought

**One client.  
52 employees.  
100% engaged.**  
This leading media communications business partnered with us to deliver a wellness program fully aligned with their business needs and total rewards strategy. The result? Every single employee took part and the company saved \$34k a year in hard costs.

#### 2. Deal Impact

Our services deliver **no-cost preventive health solutions** and a universal life insurance policy, helping attract and retain employees, streamline operations, and boost overall business performance.

#### 3. Revenue Earned

Our partner stands to earn **over \$50,000** in lifetime value from this deal, and a clear example of the lucrative potential within our affiliate network.

### Did You Know?

Employers who invest in preventative health care programs save an average of \$650 per employee annually. Promising wellness not only helps businesses but also improves employee satisfaction and productivity.
