

Affiliate Network Update

Each month, we celebrate the success of one of our top-performing affiliates. This month's highlighted deal comes from the industrial sector, and it demonstrates the ongoing potential for earning significant revenue through strategic partnerships.

Why They Bought:

This client with 175 employees participating in the wellness program chose to work with us because of our comprehensive solutions tailored to their business needs and total rewards strategy. Including cost-saving of 120k annually in hard dollars.

Impact of the deal:

Our services potentially will reduce healthcare and workers compensation costs by 15%, streamline their operations, and improve overall business performance.

Affiliate revenue earned:

Our Partner will earn an estimated \$120,000+ on the lifetime value of this deal, showcasing the lucrative opportunities available through our affiliate network.

Wellness tip of the month:

Did you know?
Employers who invest in wellness programs save an average of \$650 per employee annually. Promoting wellness not only helps businesses but also improves employee satisfaction and productivity.

Thank you for being part of the Sanguine Affiliate Network! Keep an eye out for more success stories and opportunities to grow your business with us. If you have any questions or would like more information, don't hesitate to reach out!
